

KINGDOM OF THE SON CAMP 2010

GFS & KidsPlus held a camp for their members and friends at Camp Leschenaultia from the 15th – 18th of April using the Gospel Light program “Kingdom of the Son” to base our camp around. All the campers arrived at 11am on Thursday, excited and ready to head off to the “Plains of Africa” on a Safari! The rest of the day was spent setting the scene with a fantastic back drop painted by the children as well as some LARGE animals to decorate our room—lots of budding artists in our midst.

Over the 3 days we explored the Lord’s Prayer in greater depth and learnt that God Listens, God Provides, God Forgives, God Protects and God Rules! We did crafts, singing, games, drama and spent most of Saturday canoeing on Lake Leschenaultia which was fantastic. The children all passed their canoeing proficiency testing by Chris and Kerry from CEBS/BMA which will enable them to attend our “Canoeing Camp” which will be held in the October school holidays and they are really looking forward to exploring the Moore River region in the canoes. We only had 2 leeches attached to children (you would think it was 50 with the screaming!), they enjoyed jumping from the pontoon and just hanging out, it was a really great day.

Ellie McPherson from ACYM came to visit us on Friday and Rev'd Josie came up on Saturday afternoon for a Eucharist and stayed to share the evening meal with us.
